DETAILED ACTION

Remark

- This Office Action is response to applicant's preliminary amendment filed on November 25, 2002, which has been entered as paper number 10.

Continued Examination Under 37 CFR 1.114

1. Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on December 23, 2002. The submission, however, is not fully responsive to the prior Office action because the preliminary amendment with the submission changes the scope of the claims to image display illumination that is drawn to non-elected invention group as stated in paper number 4. The scope of the original and finally rejected claims is drawn to exit pupil control means. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
